The State Of Germany @ SOTM 2009

Number of OSM Ways in Germany

Million Ways

SOTM 2008

Date

March 2008
July 2008
Number of OSM Ways in Germany

(Node statistics look similar.)
Road length (1000km) by type

One out of every two active OSM users edits in Germany!

(rolling 30 days to July 10, 209: figures: 9880 distinct people have edited nodes, 4147 distinct people have done so in Germany =~ 41%).
Things we map

(Flickr images from virtualphotographystudio, bildbunt, threedots, sporkwrapper, maha-online, tillwe, 96dpi, tonnendreher)
(Results from the three-month “Upper Palatinate” project, yield = 25,000 km)
In Bed with the Government (II)

(data given by North-Rhine Westphalia, 20,000 km)
In Bed with the Government (III)

(buildings in Rostock on the Baltic Sea)
A Nation of Engineers (and Coders)

- public transport map
- JOSM development
- OpenSeaMap / FreieTonne
- OSM Inspector
- OffMaps (CurlyBrackets)
- OpenRouteService, 3D stuff (Uni Bonn)
- riding/hiking map
- OSB rewrite
Community & Outreach

The German OSM Conference:
2-5 March 2010, Osnabrück, Germany!

FOSSGIS E.V.
THE END
